

County Market Wish List

Founded in 1910, Washington Street Mission provides hope and healing to those in need in our community. Every day, Washington Street Mission provides a safe and accepting community where people can find the care, compassion, and guidance they need to begin the journey of rebuilding their life.

People come to us when they are hungry, facing poverty, and desire to break free from addiction. We welcome all with open arms, a heart of compassion, and a desire to help meet their mental, emotional, physical, and spiritual needs.
